Dear Sir or Madam:

The attached report is being filed late but the late filing is not willful. Our organization was in the process of changing Treasurers and the process took a lot longer than we had hoped. The change started in June around the time it appears that a report may have been due. The outgoing Treasurer mailed all the records to the incoming Treasurer (my self) here in Monroe from the Baton Rouge area. The outgoing Treasurer had accidentally used an incorrect address and we did not receive all the data timely. As a matter of fact, we were still obtaining the needed data in October. I believed the outgoing Treasurer had filed all the reports up to the time I took over, but it appears that she did not file the June 3, 2002 report. By the time we obtained all the records, it was October and we completed the report as soon as possible. Our prior Treasurer may have believed no report was due as we did not make any contributions to any candidates during the reporting period. We did have a fund raiser during this time, which was most of the activity during the reporting period.

As we did not make any contributions to any Candidates during the period (and still have not made any since early 2002), we had no reason to file a late report. We ask that you excuse the late filing, as it was due to the change over in Treasurer and the mismailed data, we were not willful in our late filing. Also, since we had made no contributions to any candidate, we had no reason to file late since no persons running for office would have been affected by the late filing.

I plan to start filing a monthly report from now on so as not to have this type problem in the future. Again, please excuse the late filing as it was not willful.

Thanks for you help,

Cordially,

GRETA JONES, TREASURER

NOTICE

A political committee must register in each calendar year in which it will have over \$500 of financial activity. The registration is accomplished by filing a Statement of Organization form and paying the \$100 filing fee. Statements of Organization are filed annually by January 31. Any committee which realizes that it will have over \$500 of financial activity after January 31 must register within ten days of its realization of that fact. However, if this occurs during the ten day period prior to an election the Statement of Organization must be filed within three days.

Political committees must file reports of receipts and disbursements on an annual basis. Annual reports are due by February 15 and should cover the preceding calendar year. Also, committees must file reports of receipts and disbursements on the same schedule as the candidates it supports or opposes. Reports are also due in connection with propositions (ballot issues) the committee supports or opposes. Schedules of reporting and filing dates for all elections are available from the Campaign Finance Office.
